#### Custom Digital Printed Canvas

Ideal for giclée art reproductions, eye-catching POP signage, museum displays, interior decorating, store signage or a great gift idea.

#### Custom Digital Printed Wallpaper

A peel and stick, polyester fabric material that can be installed on virtually any flat surface (except non-painted brick) in any weather condition and then removed and reused many times over. It is non-toxic, green and phthalates free.

installation & canvas stretching available

\*Discount applied to orders of \$50 or more. May not be used with any other offer or discount.
